Dear Mr. Weisberg,

Just a short note to let you know that the S.F.K. story is stirring interest here.

I'm sorry I haven't stayed in closer contact with you but I have been assigned to Migg Bay, Scotland till about April '77. Perhaps you will read about the structure for the Mexican oil fields when it is finished construction.

They have been quite a few articles here about Roselle (Sp?) et al.

If any more crop up I'll clip them and forward them to you. If for some reason you should have to contact me you can reach me at the address on the envelope.

Regards
W. J. Miller
